

PIAA

Light Bar Instructions for 2011-13 Ford F250 / F350 / F450 / F550

Part# 30756

*Note: picture may not reflect actual product.

Hardware Bag Contents for F043LH and F045LB:

- 2) 1 1/2" x 5/8 Bolts
- 2) 15/16 Nuts
- 2) 2" Washers

Recommended Tools:

15/16 wrench and socket

Step 1. Locate the two plastic inserts in each corner of the bumper opening, remove and discard. This will expose a factory mounting location behind the bumper on both sides.

NOTE: The mounting locations will be a round hole through a metal plate on both sides.

Step 2. Match up the light bar brackets to the factory mounting holes through the bumper. Next, start a 1 1/2" x 5/8 bolt, 15/16 nut, and 2" washer and hand tighten. Repeat on other side. This concludes the installation.

Warranty

PIAA Corp. USA warrants its products to be free from defects in workmanship and materials under normal use for a period of one year from the date of purchase.

EXCLUSIONS

This limited warranty specifically excludes defects resulting from misuse, abuse, neglect, alterations, modification, improper installation, unauthorized repairs, theft, vehicle crash, or any other type of impact. Except for the limited warranty stated above, there are no warranties of PIAA products or part thereof, whether express or implied. Any implied warranty of merchantability or any warranty of fitness for a particular purpose is expressly disclaimed. Some states do not permit the disclaimer of implied warranties.

EXCLUSION OF DAMAGES

In no event shall PIAA be liable for any damages whatsoever (including, without limitation, consequential damages, incidental damages, or damages for loss of use, loss business profits, business interruption, loss of business information, loss of time, inconvenience, or other losses) arising out of the use, misuse, or inability to use a PIAA product. PIAA reserves the right to change the design of its products without any obligation to modify and previous products. This warranty gives you specific legal rights. You may also have other rights that vary from state to state.

REPAIR AND REPLACEMENT

If a PIAA product is suspected of being defective, it must be submitted freight prepaid, to either an authorized dealer or distributor for warranty inspection. The receipt or other proof of purchase and a description of the problem must be included. The returned product will be inspected. If the product is found to be defective and covered by this limited warranty, the sole remedy is repair or replacement, at PIAA's option. A repaired or replacement product will be shipped back at no charge, and will be warranted free from defects in workmanship and materials under normal use as the original purchaser owns it. Removal, installation, or re-installation costs are not covered by this limited warranty.
